

Hey Joerg

It wouldn't hurt to look at other job options!

KEY DECISION DIMENSIONS

HEAD - RATIONAL

58%

LEAVE

The rational arguments show you are mostly dissatisfied with your current job. Time to see if you can find something better somewhere else.

GUT - FEELINGS

59%

LEAVE

Your feelings are clear: you are not happy at your current job!

HEART - VALUES

60%

LEAVE

Your values do not seem to be aligned with your job. This will be a big source of stress for you. Consider something new!

Legend				
Stay	Stay Work On it	Think on it	Start looking	Quit
0-20%	20-40%	40-70%	70-90%	90-100%

KEY REASONS TO LEAVE

1	You are not getting the promotion you think you deserve.	80%
2	Your work-life-balance is bad!	70%
3	You are very stressed due to your job	70%

It seems there are no hard red flags (discrimination, safety, ...) at your current job. Good!

KEY REASONS TO STAY

1	You have big opportunities for success.	0%
2	You are happy	10%
3	You have great trust in the people around you!	10%
